

Fighting for the Schools Our Students Deserve

Our Goal

We will build union power through high member participation and by fostering solidarity among educators to win the schools our students deserve.

Strategic Objectives

How will we win the schools our students deserve?

- Organize and implement a successful contract campaign to win the schools our students deserve.
- Identify, develop and train member leaders.
- Increase member engagement across all spaces, especially engaging para-educators and substitutes. Build educator solidarity across the membership.
- Work in coalition with parents, students, community members, and labor unions.

Key Events

Wear your UESF t-shirt every Wednesday!

September: In Depth Contract Bargaining Survey * Contact your UBC to get the survey

October: Contract Workshops *Attend a contract workshop by your school or home to learn more about contract language and building to win

November 8: General Election

November 12: Campaign Kick Off *Launch our collective demands, get involved and connect with other educators!

December - June: Contract Action, Bargaining, Campaign Escalation and more! *Build support for contract demands and take action

June: Contract Expires
